

## Apartments

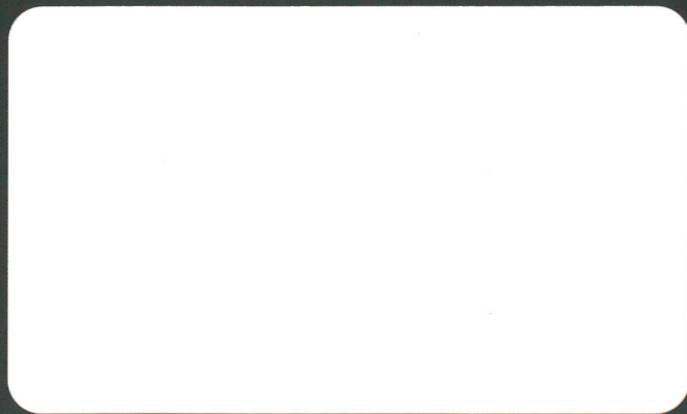

Once inside the apartment, your experience becomes personal. Every room type of The Peak Towers has been meticulously designed, knowing that coupled with the latest trends in style, they must of course be practical.... allowing you to truly enjoy the comfort and living that you can treasure. We maximised the space and ensured a beautiful view that you can treasure. With only a small number of rooms on each floor, privacy belongs to you.

## Location

Perfectly situated between the resorts of Jomtien & Pattaya. This is the cleanest and most peaceful location and definitely the place to invest for... The precise location is Soi 1, Pratumnak Hill; right next to the Majestic Residence, and is approx 400m from the beautiful Cozy Beach, just a short stroll to the Royal Varuna Yacht Club and cluster of local restaurants. Your Pratumnak residence is only 5 minutes to the abundance of amenities that await you in the famous resorts of Jomtien and Pattaya City. This is definitely the ideal location to invest for your future or for you to make your home.

## Project

When you own an apartment in The Peak Towers, it is always a pleasure to return home.

You live at the peak of convenience; perfectly sheltered from the noise and disturbance of the city close by, and spoilt by the clean fresh air that is eternally yours. Whether you come alone or with friends, it is hard to resist the pride that you will feel when you enter the complex, with the hotel styled lobby area that welcomes you in, adding the knowledge that you are secure. Right from the reception to your doorway, you are engulfed in the recognition of residential luxury.
