GADING SERPONG

Located approximately 18 kilometers on the western side of Jakarta, Paramount Gading Serpong is an independent city that has become a new economic hub and a residence for over 120,000 residents. This city is positioned in a highly strategic location, surrounded by large development areas, and is connected to the Jakarta-Merak toll road, Serpong-Balaraja toll road, and JORR 2 Jakarta-Serpong toll road, providing direct access to Jakarta, Soekarno-Hatta International Airport, Merak Port, and other major cities in Jabodetabek.

Paramount Land, one of the main developers of Gading Serpong City, professionally manages this area covering approximately 1,000 hectares and develops residential, commercial, and recreational facilities, along with city infrastructure and a variety of other amenities ranging from educational facilities such as schools and universities to hotels and hospitals. The increasing value of the city is reflected in the rapid growth rate of Gading Serpong, which has reached 15% (YoY).

Based on comprehensive and up-to-date research, Paramount Land continuously presents a variety of property products that meet the interests and needs of the community over time. To date, there are more than 40 inhabited clusters for middle to upper-class communities, equipped with the best utilities, infrastructure, and amenities. Matera Residences, Pasadena Grand Residences, and Menteng Grand are some of the exclusive residential projects by Paramount Land that have received a positive response from the public.

High connectivity and accessibility have boosted the development of commercial and business areas in Gading Serpong, which has become a favorite destination for the Tangerang Raya community and Jabodetabek. Paramount Land plays a significant role in developing culinary and business centers, including the commercial area in the southern part known as 'The Most Vibrant Commercial' in Gading Serpong, featuring over 250 businesses, from Maggiore, Sorrento, Pisa Grande, Mendrisio, and surrounding areas. Paramount Land is also developing the Manhattan District, the largest commercial epicenter in Tangerang Raya, covering an area of 22 hectares.

Paramount Land is developing Gading Serpong City as a one-stop solution for fulfilling daily needs, ranging from living, working, conducting business, recreation, to investment. Through Paramount Estate Management, Paramount Land also professionally manages, organizes, and maintains the city sustainably, serving and upholding community harmony in Gading Serpong through various flagship programs. This reflects Paramount Land's commitment to continue growing together with the community, in line with the company's tagline, 'Building Homes and People with Heart.'
